Email:

To qualify, nominees demonstrate green practices, projects, education and/or services that foster resource awareness, sustainability and resilience in relation to recycling and waste reduction from at least three of the following areas:

- 3 R's: reduce, reuse, recycle
- Zero waste systems, ZW events
- Gardening, composting, green/bio-waste, agriculture, forestry
- Ocean, water conservation
- Youth or community service, educational projects
- Native species, native habitat
- Sustainable industry, green building
- Energy, fuel, resource conservation or alternatives
- Open space "greenways", beautification
- Climate change
- Indigenous gathering rights, cultural practices

For each area sited:

1. Describe the community need and what impact the organization's activities, programming and services have had in addressing the identified need.
2. Include (1-2) supportive documents e.g. letter of support, article, press release, etc.
3. Include (1-2) photos with captions and photo credit.

Submit application information, narrative, documents and photos by Nov. 14, 2017 to:

Recycle Hawai'i/KIGH, PO Box 4847, Hilo, HI 96720
or Marsha Hee, RH Ed. Director: educationdirector@recyclehawaii.org
